

Work Session #1

Group Dynamics

- Working in a group - Expectations
- Group Check In

What should get done today?

- Where are you going?
 - Figure out the places you will be visiting.
 - Create a list of the places you will visit
- What is your theme?
- What is your group name?
- Hand in your work for the day in your folder.

Extra

- Map your route using online mapping application (Mapquest, Google Maps, MSN Maps, etc)
- Share your group information and progress by visiting <http://cityschoolmath.pbwiki.com> and then following the Vermont Bike Trip Project link.
