

# Work Session #2

## What should get done today?

- Where are you going?
  - Use the itinerary/route worksheet to create a list of the places you will visit.
- What is your theme?
- What is your group name?
- Share your group information and progress by visiting <http://cityschoolmath.pbwiki.com/> and then following the Vermont Bike Trip Project link.
- Map your route using online mapping application (Mapquest, Google Maps, MSN Maps, etc)

## Extra

- Using [www.bubbl.us](http://www.bubbl.us) brainstorm a list of items you will need for your bike trip.
